Georgie is busy navigating the terrors of new motherhood--from misplaced postpartum painkillers to the potential sublimation of her identity--while her husband finds solace in bourbon and televised violence. (Dead girl on the screen? Take a shot!). Dulcet, defiantly married and childless, makes a living stripping down in high school gyms to sell the beauty of sex-ed. Nyla is out to save the earth while possibly losing her own teen daughter to the world of drugs and the occult. As these friends navigate a space between freedom and intimacy, they realize the families they forge through shared experience are as important as those inherited through birth.
