## OPTIMISM: THE LESSON OF AGES

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A fancy overtakes us at times to question our presumption in writing a book. Wherein are we better than another, that we should attempt to doctor another? We look over the matter-of-fact world and find it impossible to make a show, unless we have something to exhibit: Yet here are we who can fiddle little, and fife less-who cannot turn somersets, as we could once when we were less fit to write a book -who cannot commit by the page like an actor, nor play chess with a third-rate, -in short who cannot prove our ability by any standard feat whatsoever, proposing to indoctrinate many who can do all these things into the deepest mysteries of life! It is indeed a question, Why should we write a book ? -We have but one encouragement without our own conceit, which is, that few, if any, of the accepted wits of the past were ever excellent in the positive feats which we have mentioned. They seem to have possessed an acknowledged. Greatness in their general health, harmony, or proportion of mind, to whose consciousness pleasant truth was congenial, and came through some subtlety of attraction. This harmony or health of soul must comprise something of that delicate presence called genius: and here is our encouragement- that although we have few, if any, notable specialities to boast of, we may have a very excellent genius nevertheless. And if it shall be found that even genius, to possess truth, must go about and coart its vicinity somewhat; we shall exalt our horn a little, because of experience of various sorts that we have encountered more than most writers-experience of the varieties and...
