BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. I ll be watching you. Walking home on a dark night, you hear footsteps coming up behind you. As they get closer, your heart pounds harder. Who is closing in with dangerous intent a total stranger? Or someone you know and trust? The answer is as simple as turning around, but don t look behind you run. Ann Rule, who shared her own nerve-jangling account of unknowingly befriending sadistic sociopath Ted Bundy in *The Stranger Beside Me*, chronicles other fateful encounters with the hidden predators among us in this riveting collection, fifteenth in the bestselling series drawn from her personal files. First in line is a stunning case that spanned thirty years and took a determined detective to four states ending, finally, in Alaska where he unraveled not one but two murders. A second case appears to begin and end with the hunt for the Green River Killer, focusing on a Washington State man who was once cleared as a suspect in that deadly chain of homicides. But the millionaire property owner believed he had successfully buried his own murderous past and the awful truth behind his young wife s disappearance. She vanished soon after she left for a day at the Seattle World s Fair, and her three small children grew up believing their mother had abandoned them. But one amazing witness remained the missing woman s best friend, who heard her last words in a frantic phone call He s coming! before the line went dead. Only since Robert Hansen s suicide has the monster within been revealed. In another true story, a petite woman went to a tavern, looking only for conversation and fun. Instead, she met violent...
