THE LAST MINSTREL SHOW: A DETECTIVE STORY

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Peter Goldman s debut novel is the first in a planned series starring an ex-cop turned PI named Max Christian. Max is not the prototypical private eye of detective fiction. There s nothing particularly heroic about him. His wife has left him and taken their son with her. He misses his lost past chasing murderers as an NYPD homicide detective. He s drinking too much. He s bedding too many women whose names he can never remember. He s having imaginary conversations with the ghost of Albert Camus, who nags him--in ghetto language--about his addiction to the drug called self-pity. But all that changes when an eight-foot-tall player for the Darktown Strutters--a touring black troupe mixing showtime basketball with blackface minstrel routines--is shot dead execution-style at Max s doorstep. More bodies pile up, and Max, to clear his own name, finds himself back in his past life, tracking a serial killer of black men. While his old NYPD partner Tina Falcone chases leads in New York, Max goes on the road with the Strutters, nominally as a player on their all-white opposition team and as bodyguard to their coke-addled owner Lou Schiff. His real purpose is catching the killer--a mission that leads him into a dangerous world in which drug deals and sudden death are routine business transactions and a brutal mob boss calls signals from the shadows. The Last Minstrel Show is first and foremost what its subtitle suggests: a detective story. But it s a whodunit with a serious subtext. It looks hard at the persistence of racism in post-racial America in the time of Barack Obama and Trayvon Martin. And it explores how masks have...
