Brand New Book ***** Print on Demand *****.Direct day game allows you to cut the crap and just get to the point! It's just you and her in the moment! That's why it works so well, women respect that! - Charlie Valentino. There is nothing quite so empowering as being able to walk straight up to any girl in the middle of the street and tell her you think she's stunning! This is what Charlie has been doing for years and he shows you how you can do it too. Going direct on a girl during the day in the street, coffee shop, mall or university campus is about as straightforward as pickup gets. For this reason Charlie Valentino says it's the best method for beginners and newbies or for those suffering from approach anxiety. Because the direct day game approach for meeting women really does cut the structure of pick up right down to its bare bones. There will be no rubbish flying through your head, no lines, stories, routines, tips or tricks. It's just you and a very attractive girl in the moment. Charlie shows you how it's done with ease and a high probability of success!.
