

Integer Island

By Thomas K Johnson

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Zero is an outcast digit who struggles to find his true value amongst Odd and Even Numbers while living on Integer Island. In the midst of a war between the Odd and Even Numbers, Zero discovers the true power of his value and is able to confront any challenge - even challenges that exist within himself. Integer Island is an interactive story that employs 5th grade mathematical problem solving and reading comprehension to highlight the value of mathematics, self-identity, and embracing the value of others.
