Truth is determined by how fervently they believe it With his trademark wit and insight, veteran journalist Charles Pierce delivers a gut-wrenching, side-splitting lament about the glorification of ignorance in the United States. Pierce asks how a country founded on intellectual curiosity has somehow deteriorated into a nation of simpletons more apt to vote for an American Idol contestant than a presidential candidate. But his thunderous denunciation is also a secret call to action, as he hopes that somehow, being intelligent will stop being a stigma, and that pinheads will once again be pitied, not celebrated. Erudite and razor-sharp, Idiot America is at once an invigorating history lesson, a cutting cultural critique, and a bullish appeal to our smarter selves. 320 pp. Englisch.
