Brand New Book ***** Print on Demand *****.The Top 50 Mistakes Practitioners Make and How To Fix Them: Dealing with the Internal Revenue Service Introduction: Taxation in the United States is a system of voluntary compliance. The Sixteenth Amendment of the U.S. Constitution created a system of taxation that was intended to be fair and equitable. Its purpose was to fund the government. Since its creation in 1913, the U.S. tax system has been constantly changing. The Internal Revenue Code has grown from just a few code sections to a document consisting of thousands of pages. Taxpayers, whether they are individuals, married couples, small businesses, partnerships, corporations, or trusts are overwhelmed by the myriad of tax laws and the procedures that have been developed to assist in the proper administration of the law. The tax law is not perfectly black and white; in many instances it is gray. Taxpayers often do not know if they should take a position that may be contrary to the law or that possibly is not even addressed in the law. Because the tax system constantly changes with the needs of society, the tax professionals job is quite challenging. Tax professionals must not rest on their past laurels. They must keep current on new developments in the tax system, which is a challenging task. This book will assist taxpayers and tax professionals alike when they are dealing with matters before the Internal Revenue Service. What is a tax professional? Some individuals say that they are tax professionals because they have been preparing tax returns for 30 years. However, a tax professional is more than just a professional tax preparer. While tax preparation has been greatly simplified and...
