BRAND NEW, Silences and Nonsenses: Collected Poetry, Doggerel and Whimsy, Adrian Plass, Adrian Plass has been delighting readers with his poetry for over twenty-five years, and this book finally brings it all together in one volume. As he says, 'To have them all, good, not so good, simple, complicated, light-hearted, funny, serious, sensible and silly collected into one volume is more exciting than I can say'. Funny, poignant, challenging and downright hysterical - these poems will delight readers. Some were born from times of incredible personal difficulty. Others have come from his visits to dangerous and poor parts of the world. Others come from his love affair with the Church. All of them reflect the man, his faith, his life and his joy.
