After all, many believe that it is only a historical book; however, through the study of the fulfilled Messianic prophecies outlined in *Eternal Life*, an overwhelming case can be made for the Bible's miraculous inspiration. Messianic prophecies, within ancient Old Testament passages, confirm facts about Jesus Christ. Two thousand years ago, this humble, compassionate man utterly transformed the religious world forever. Who really was this baby born in a manger? *Eternal Life* not only proves the authenticity of the Bible, but also presents God's plan for saving the lost from eternal destruction. Tragically, there are an abundance of doctrines that teach different ways to be forgiven from sin, yet the Scriptures clearly teach that there is only one way. Even Satan believes that Christ exists and that He is powerful, so how does someone enter everlasting life? Everlasting life cannot be earned; it is a free gift of God. Nonetheless, great multitudes choose to reject the giver of everlasting life and live a life of sin instead. What is the eternal outcome of those who claim to follow Christ yet refuse to stop their hatred, unforgiveness, slander, and sexual immorality? *Eternal Life* answers these questions through the teaching of the foundational, sacred beliefs from God's word.
