

The Use of Art in Counselling Child and Adult Survivors of Sexual Abuse

By Maralynn M. Hagood, Marian Liebmann

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, The Use of Art in Counselling Child and Adult Survivors of Sexual Abuse, Maralynn M. Hagood, Marian Liebmann, Based on 17 years of clinical work in both the United States and the United Kingdom, this book presents a comprehensive discussion on the use of art in counselling sexually abused children, their families, and both adult and adolescent sex offenders. Using concepts of the "trauma model" and other current theoretical models that have been shown to be effective, and drawing on case examples from her own clinical experience, Maralynn Hagood demonstrates how art therapy, counselling and psychotherapy can be blended, and tailored to the needs of the individual. She emphasises the dangers of interpreting artwork in diagnosis, arguing that it is the process of art-making which has therapeutic value.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
