Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from My Dog and I This book is founded on fact, the indisputable fact that if you keep a puppy it will sooner or later form a stumbling-block in your ways of peace; hence it should appeal to all who have suffered at the hands (or rather paws - muddy paws) of the canine species, and will, it is hoped, serve as a warning to those who are on the verge of rashly purchasing a pup without strict inquiry into its moral nature. When, several years ago, Mr. Theo. Marples, F. Z. S., the eminent authority on dogs and Editor of Our Dogs, gave the Author his start as a writer on and illustrator of dogs from the humorous point of view in the columns of that journal, he (the said Author) always held before himself the solemn ambition that one day he would write a book to expose the awful possibilities inherent in the blandest of puppies. This is the book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
