Guidelines is a unique Bible reading resource that offers four months of in-depth study, drawing on the insights of current scholarship. Its intention is to enable all its readers to interpret and apply the biblical text with confidence in today s world, while helping to equip church leaders as they meet the challenges of mission and disciple-building. Instead of the usual dated daily readings, Guidelines provides weekly units, broken into six sections, plus an introduction giving context for the passage, and a final section of points for thought and prayer. On any day you can read as many or as few sections as you wish. As well as a copy of Guidelines, you will need a Bible. Also included, The BRF Magazine highlights the wider ministry of BRF, with articles, book extracts and information on our funding and prayer needs.
