

Taking Space: How to Use Separation to Explore the Future of Your Relationship

By Robert Buchicchio

CharLer Publishing. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.9in. x 5.8in. x 0.9in. With the high rate of divorce and breakups, marriage and family experts point to the fact that people don't learn from the mistakes of a failed relationship and assume the next relationship will be better, making little effort to fix or understand what didn't work. There are plenty of self-help books for committed couples on how to enrich a marriage and scores of guidebooks on how to manage through a divorce, but very few focus on partners with differing degrees of commitment where the separation process itself is viewed as an opportunity for self-growth. Taking Space: How to Use Separations to Explore the Future of Your Relationship provides struggling couples and individuals with a step-by-step process for managing separations. This model allows people to view and use separations as a proactive way to get space, reduce conflict, and focus on self-growth. This method can even work with a non-cooperating partner. This problem-solving road map teaches partners how to design a separation plan that addresses their specific issues by pinpointing 10 essential tasks necessary to maneuver through an often highly stressful experience. The steps are applied through...

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
