BULLETS AND BANDAGES

Paperback. Book Condition: New. Paperback. 248 pages. Bullets and Bandages was inspired from the stories of the authors brother who was a US Army Field Medic, Vietnam 68-69. Through those stories, the author was given the unique insight into the bullets and bandages of war. Parts of this book are also about the authors own experiences, and that time in our history. The trails and victories of Rob and his comrades pull you into a world of survival through willpower, tenacity, and wit. This story is not only an adventurous thriller, but is also a story of love, humanity, and overcoming. This story is about our men and their time as they fought together to survive in the Jungles of Vietnam. Occasionally, the dreams are of the men that I could not save, and of the ghastly shadows of my enemies. These images are a contradictory and discordant collage of the real horror of war. I have no misgivings about what was done; I was a soldier doing my duty for my country, in a war far away from my home. It was a war where our forces could not fully engage the enemy. The Army could not move on...
