Extended Description The cold, the fear, the pain is irrelevant. For the next eighty-nine days everything must be about moving forward. Swimming is my job, every day, seven days a week, without end. The number of days left cannot be counted like an advent calendar or one of those strings of paper rings we used as children to count the days left until summer vacation. Conscious awareness of the task ahead will only serve to chip away my resolve. Staying in the moment is not an option but essential for enduring. One stroke at a time; that's the mentality that will get me to the Black Sea. How far would you go to enact true social change For Mimi Hughes, it was over 1, 770 miles down the Danube River. Her incredible journey as the first person to swim the river, without propulsion of flippers, is chronicled in her captivating memoir, *Wider Than a Mile*. Swimming twenty miles a day for eighty-nine days through nine European countries, perhaps the most amazing part of Hughes's saga is that the swim becomes secondary in a tale full of love, loss, and the power of human kindness. Hughes, a fifty-year-old married mother of four, embarks on this seemingly outrageous adventure to prove that a strong desire for change, expressed through major athletic accomplishments, can help motivate others to become more socially and environmentally aware. Joined only by her nineteen-year-old daughter on kayak, Hughes makes her way through foreign lands aided by countless strangers who were inspired to help beyond the teams wildest expectations. When they stop swimming at night, Hughes and her daughter never know if they will find shelter or...
