Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.
(Woodrow Labadie)

RADIOTELEGRAPHY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Radiotelegraphy It is hoped that this book may serve a useful purpose in enabling readers to become acquainted with the principles and practice of radiotelegraphy. Some knowledge of electricity is essential, and, though it is impossible to thoroughly understand the phenomena without much handling of electric apparatus, an attempt is made in the first chapter to state as simply as possible the fundamental facts relating to electricity and magnetism; for until these are grasped it is hopeless to try to appreciate the mechanism of radiant waves. In the next two chapters electric vibrations are first explained, and then the fundamental phenomenon of radio-telegraphy, the radiation of energy from a vibrating electric circuit. Hertz, who proved experimentally the existence of these radiant waves, worked for science and not for telegraphy. It remained for a host of inventors to adapt the newly-discovered phenomena to practical use. The waves, with which Hertz himself experimented, were too small, and in Chapter IV. the properties of the modified longer waves, used in practice, are enumerated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
