## CHRISTIANITY AS A MYSTICAL FACT AND THE MYSTERIES OF ANTIQUITY

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The author s intention is to show, by means of what is here called mystical knowledge, how the source of Christianity prepared its own ground in the mysteries of Pre-Christian times. In this Pre-Christian mysticism we find the soil in which Christianity throve, as a germ of quite independent nature. This point of view makes it possible to understand Christianity in its independent being, even though its evolution is traced from pre-Christian mysticism. If this point of view be overlooked, it is very possible to misunderstand that independent character, and to think that Christianity was merely a further development of what already existed in pre-Christian mysticism. Many people of the present day have fallen into this error, comparing the content of Christianity with pre-Christian conceptions, and then thinking that Christian ideas were only a continuation of the former. The following pages are intended to show that Christianity presupposes the earlier mysticism just as a seed must have its soil. It is intended to emphasise the peculiar character of the essence of Christianity, through the knowledge of its evolution, but not to extinguish it.
