Createspace, United States, 2015. Paperback. Book Condition: New. Workbook. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Mentors and mentees enjoy this comprehensive series of books that include a mentor s guidebook and a mentee s workbook. The mentor s guidebook serves as an instructional guideline (allowing the mentor some flexibility and options). The guidebook covers the topics and activities included in the ABC Me Mentorship Curriculum Series. Mentors and mentees enjoy the Biblical Scriptures, useful resources, advice, stories, testimonies, discussion prompts, and importantly, an option to incorporate personal, local and current events. The mentee s activity workbook is filled with content covered in the ABC Me Mentorship Curriculum Series. Mentors may determine the sections of the workbook that they consider ideal for using with a group, or for one-on-one sessions. Some of the activities may work perfectly well with or without the direct assistance of the mentor. However, we recommend that mentors monitor and assess all activities and sessions whether they are or are not directly involved. The mentee s activity workbook is an essential learning tool for the youth. It is a fun-filled interactive book used to reinforce the curriculum topics with practice exercises, puzzles, games, answers, crafts and more. Mentors will not have to worry about making copies again. The activity workbook is designed with spaces for writing down answers and notes.
