Woodsy

By Michael Tolkien

New Generation Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Woodsies can take on any human shape, and have appeared in larger and finer forms than we can ever hope to have, though mostly they just need well-disguised bodies strong enough to care for plants that like wood-filtered light. They are mainly practical, wise, and helpful, but all families have misfits and trouble-makers and sometimes young woodsies like Leaf-lag won't grow up and have to learn the hard way. This rebellious, ne'er-dowell woodsy only half listens to his lessons and training, and after idling his way through summer is frightened to face a season of work to make up for this during the warm and secure underground winter festivities. He decides to go his own way, but the cold and hunger are too much for him, so he takes refuge in a dolls house inside the playroom of a large house. The two young children, whose noise and size at first terrify the visitor, are delighted with his presence, a secret close-kept from adults. But because he has not paid full attention to his...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
