LIVES INTERRUPTED: THE UNWANTED PREGNANCY DILEMMA

Jeanne G. Miller, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.After the shock of discovering that you are pregnant and don't want to be or have just been given the diagnosis that there will be a medical situation with your pregnancy, what are your options for your pregnancy, abortion or carrying baby to full term? This book delves into the issues, the choices and the long-term effects of either choice. The decision to terminate a pregnancy continues to be a controversial topic in the 21st century and runs the gamut of ethical, medical, legal and faith-based arguments. There is no shortage of website content to support that there is a sustainable interest in the subject matter, which *Lives Interrupted: The Unwanted Pregnancy Dilemma* will address. Many books that examine the issues of pro-abortion and pro-choice do so from either a strictly clinical perspective or a plethora of personal opinions, *Lives Interrupted: The Unwanted Pregnancy Dilemma* achieves a balance through research, documentation and a diverse collection of interviews in order to assist young women with the decision to abort their unborn or to carry to term.
